USE OF ASSUMPTION OF RISK, WAIVER, OR RELEASE OF LIABILITY FORMS

Every participant / customer, and non-employees such as guide trainees and volunteers using your services such as guided trips or renting / using your equipment should sign a waiver, assumption of risk form, or release of liability form. If the participant is a minor, a legal guardian should sign for them.

It is not acceptable to have one person (trip leader) sign for an entire group. Any group scheduling a trip in advance could be sent the forms prior to arriving, and the forms could then be signed in advance and delivered on the trip date.
